WELCOME

Welcome future third graders! I can't wait to have all of you in my class! On the first day you will be greeted by our class pets: two guinea pigs named Mac and Cheese! Third grade is such a great year! Every last Friday of the month we have "Fun Food Friday", where we will cook and eat a healthy snack! And if you like to do the right thing, you will get entered in a prize drawing where every Friday 5 students will get chosen to pick out of the Treasure Box filled with toys! You will learn so much in math, reading, science, writing, social studies, spelling, cursive, and so much more! I can't wait to meet you all in person!!

My name is Megan Banister and I am married with three children. I live in Kingston, which is across the Hudson River from Hyde Park. I was born in Pennsylvania, but have lived in New York a long time. I have two dogs and two cats. This will be my 25th year teaching in Hyde Park! I have taught first, third, fourth, and fifth grade, but third grade is my FAVORITE! I love being a teacher!
