WELCOME

Hello and welcome to Room 11! I am so excited to be your third grade teacher. I cannot wait to read and write with you, learn multiplication, cursive, travel around the world in social studies and see which live creatures we will be observing in science. We are going to have a spectacular year together!

ALL ABOUT ME

My name is Elise Beyer. I have been teaching at North Park for 28 years. I taught first grade for 11 years, second grade for 8 years and third grade for 9 years. I have always wanted to be a teacher! I love my job and I LOVE my students! I live with my husband, two daughters, and my son and his family. My daughter Jaelyn is 14 and will start FDR high school in the fall. My daughter Julia is 19 and is going to college to be a teacher. My son Cameron works of medical robots and has two children named Zayle and Kai. So, that makes me a grandmother!
