I can't wait to meet you! I'm sure we're going to have a great year. We'll tackle the challenges of being a fifth grader, we'll learn, and we'll have fun together! See you soon!

ALL ABOUT ME

I've been a teacher for about 15 years. I have a wife and two sons, 19 and 11. We have a cat and four chickens. I like to make pottery. Most kids think I'm funny and nice.
