## WELCOME

Welcome to North Park! We are so happy that you are joining our incredible family of students and staff. As one of the 4 reading teachers, I may work in your classroom or invite you to join one of my small groups in Room 19. My goal is help children to become lifelong learners about, well, everything! I love to talk with parents and students about how to make reading more enjoyable.

## ALL ABOUT ME

I am Ms. Danner. I grew up in MD and taught my first class of 1st and 2nd graders before moving to CA. I received my MA and reading specialist credential from UC Berkeley while teaching 2nd and 4th grades at a private school. We moved to NY and I have been with HPCSD for 20 years. While I live in Woodstock, my daughter, Liz, lives in London, UK and my son, Eric, lives in NJ with his wife.
