**WELCOME**

This is different but so fun! I hope you all are doing well and continue to be healthy. You are all so strong and have been working so hard. I can't wait to start studying math with you again and see your smiling faces!!

**ALL ABOUT ME**

I am the Math AIS teacher. I LOVE math!! I have been a teacher for eleven years and have loved every year of it. I miss my students very much but I am so proud of all the hard work they have done while being at home!
