NPE

WELCOME

Calling All Superheroes! Room 5 is a very exciting classroom. We begin the year finding out what makes each one of us special. We learn things we are good at - we call these things our superpowers! We put all of our powers together to make our classroom a safe, fun, and respectful place to work and play. Together we make one powerful class and we accomplish great things!

ALL ABOUT ME

In my twenty-four years at North Park I have taught first and second grade. For the past eleven years, I have been co-teaching with Mrs. Stolarski. I live in Hyde Park with my husband. Our daughter and her family live nearby, and our son lives and works in NYC. We enjoy time spent with family. I love connecting kids with nature! I brought the Garden for Wildlife program to NPE- the 2nd grade garden is now a nationally certified 'Schoolyard Habitat'!

MY FAVORITES

- Seeing my grandchildren!
- Spending time gardening.
- Watching sunrises and sunsets.
- Reading a good book.
- Photographing nature.
- Finding joy in simple things.
