WELCOME

Welcome to Physical Therapy. I am so excited to work with some of you and see others in PE class, on the play ground or passing in the halls. It is going to be a great year. We will have so much fun getting strong through playing games and other activities.

ALL ABOUT ME

My name is Mairead Leonard. I have been a Physical Therapist for 22 years and have been working at HPCD for 12 of those years. I work in all schools in the district. I attended Upstate Medical Center in Syracuse where I received my BS and MPS in PT. I live nearby with my husband, 3 kids and 2 dogs.
