WELCOME

Hello boys and girls, I am so looking forward to meeting everyone in 5th grade. I hope you all had a restful summer and got outside and did lots of exploring with your family. We are going to have an awesome year!

ALL ABOUT ME

I have been teaching here in Hyde Park for the last 15 years. Most of those years have been here at North Park. I've also taught 8th grade at Haviland Middle School. I have 3 sons and 2 grandchildren and own a farm in Red Hook. We used to have dairy cows on our farm but now there are goats. This is where I spend a lot of my summer time taking care of the farm. I have a 13 year old nephew and a dog named Huxley that live with me.

MY FAVORITES

One of my favorite things is to just be outside. So many things to see and hear when you are outdoors. Swimming, walking, biking, waterskiing, frisbee, fishing, camping out are some activities I enjoy doing. I also enjoy singing and playing guitar and piano. I always have a good book to read to just before I go to sleep at night! Favorite food: Hmm..Fish. Favorite snack: Chips. Oh boy, fish and chips!
