WELCOME

Hello! I am so glad you're a part of our North Park school community. I have been a teacher for 18 years, 16 years as a reading teacher, and 7 of those years at North Park. You may see me work within any of the classrooms or with a small reading group in room 30.

ALL ABOUT ME

My name is Cathy O'Connell. My younger brothers and I graduated from FDR. I live with my husband, Jimmy and my two kids, Audrey (9) and Aiden (6). I graduated from Marist College and SUNY New Paltz. What I love most about teaching reading is that I get to share my love of reading and encourage lifelong readers, learners, and thinkers.

MY FAVORITES

There are many, many things that I love. Here are a few of my favorites:

- Hobbies: reading, crafting, being outside, time with family and friends
- Sports: crew, baseball/softball, running
- Sayings: "Somewhere inside all of us is the power to change the world" Roald Dahl's Matilda
