

## WELCOME

Hello, I am a special education teacher who works closely with other staff members. I have been a teacher in the Hyde Park District for 25 years. I am looking forward to all the fun and interesting opportunities your students will have this year. "We have the courage to do the right thing."

## ALL ABOUT ME

My name is Mary Jo Perrino. I live in Poughkeepsie with my family. My son, Aidan (17), will be a senior at Arlington High School and my daughter, Delaney (15), will be a sophomore. There is also my dog, Hudson. He is cuddly and looks like a baby bear cub. I was a graduate of the Hyde Park District and have been fortunate enough to teach in the same district.
