WELCOME

Hello and welcome to 3rd grade! I am so happy you are here, and I cannot wait to meet you. There is so much to learn in 3rd grade. I look forward to teaching you about multiplication, small moment stories, countries around the world, and so much more. I also can't wait to learn from YOU! This is going to be an amazing year of learning and fun!

ALL ABOUT ME

I live nearby with my husband and 2 sons, Richie (6) and Charlie (3). I spend a lot of time with my boys playing outside, doing puzzles, creating art, and having fun! This will be my 16th year teaching. I taught 5th grade for 13 years, and this will be my 3rd year teaching 3rd grade (I just LOVE 3rd grade!!). You probably won't believe this, but I attended North Park for grades kindergarten through 6th grade. It's pretty cool to be back at such an amazing school!
