WELCOME

Hello 2nd grade superheroes! I am so excited to be one of your teachers this year! Mrs. Langenau and I have been teaching together for 11 years and we can't wait to meet you! Second grade is such an exciting year. We spend a lot of time learning about what makes each of us special and unique- like Tigger! These talents and gifts are our superpowers!

ALL ABOUT ME

This is my 19th year teaching! I live in LaGrange with my husband and two daughters. We have a dog and 2 cats. Together, we've traveled around the U.S. in a camper, have hiked through 14 National Parks and have visited Mickey and his friends at Disney World! I will share many stories about our adventures with you and look forward to hearing all about your adventures too!

MY FAVORITES

When I'm not teaching or Ubering my kids around, I enjoy being outside, surrounded by nature. I think I must've been a mermaid in a past life because the ocean truly is my happy place! I love being in and near water so much that I recently became a scuba diver! I try to keep busy by going hiking, bike riding and traveling to new places. I'm always up for an adventure!
